

Jackson High School

Boys Volleyball

2018 Season

We would like to introduce you to Jackson High School Boys Volleyball. Most people in Stark County are surprised to learn that we have a boys volleyball team! Actually, it had been around for 20 years, but was cancelled in 2013. We brought it back to Jackson in 2014, and the program continues to gain popularity .

Our record for 2014 was 3-15. In 2015 we achieved 11-8. With 6 returning seniors in 2016, we had high expectations and met them by taking the team to the OHSVBA State Tournament. We ended with a 19-6 record! In 2017, our Varsity team ended with a record of 10-12. It has been an amazing journey, and we couldn't be prouder of our boys.

Some facts about Boys Volleyball

- We coach both Varsity and JV teams and will offer 2 JV teams again this year.
- We successfully hosted the Polar Bear Bash, an 8-team tournament for the fourth time last year.
- Many of our players are currently playing year round to increase their skills.
- There will be a middle school boys volleyball program beginning this year at Jackson.
- There are approximately 24 teams in North East Ohio and 105 total.
- Boys Volleyball is currently the fastest growing sport in the US.

Because of our club sport status, many funds need to be raised. JHS allows us to use the main gym and equipment. With fundraisers, private and corporate sponsors, we hope to cover all of the expenses associated with our program.

Would you help us out and provide a sponsorship for Jackson High School Boys Volleyball? The club is designated 501(c) 3 non-profit, EIN: 46-4851398.
