

Jackson High School Boys Volleyball 2024 Season

The Ohio High School Athletic Association announced that Boys Volleyball became a sport in the 2023 Season! Many new teams have formed and we are looking forward to another year of growth in this emerging sport.

Jackson Boys Volleyball has been around for 30+ years! Our program has become noticed in the state as a strong, impact program. We have been contenders at the state tournament recently in 2016, 2018, 2019, and 2021. Many players have gone on to play at the college level.

Currently, we are holding tryouts for our Varsity and 2 Junior Varsity teams. The new status of OHSAA has motivated more athletes to come out than ever before. Our Open Gyms have been packed! Also, many of the players took advantage of our workout program hosted by 4.40 and playing on JO Travel teams.

Our Parent Board would like to invite you to participate by sponsoring our program! The board is designated 501(c)(3) non-profit, EIN: 46-4851398.

Would you help us and write a check to sponsor our Jackson High School Boys Volleyball program? Please see the attached page for more information.

Sincerely,

Tom
